Instructional Design Blog

Covering topics from what it means to be an instructional designer to boosting student engagement in online discussions, our blog is chock-full of hand-picked content to improve your and your students' online education

Utilizing the Power of Feedback

Time and again, studies show that students value feedback from their instructors. This is especially true in online courses.

In [Utilizing the Power of Feedback](#), we talk about the role feedback plays in the student experience and how Canvas is able to support feedback in a variety of ways. Let's get to it!

We also value your feedback! If you would like to see a particular topic featured on our blog, submit your idea to Kristin Kowal at kristin.kowal@uwex.edu!
